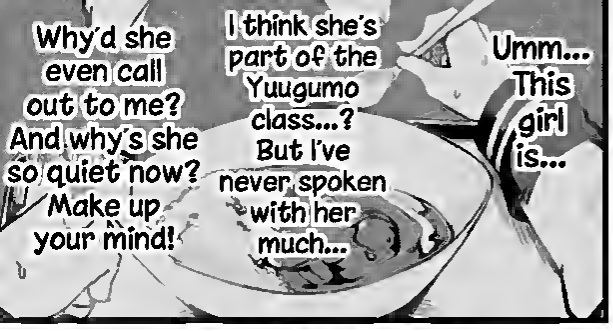
Your Pudding Has an Adult Taste
by Hidori
No way...
Lunch today...
Didn't come with any pudding...
Ikazuchi and the others even went on an expedition to pick them up this morning...
トボ…
トボ…
I was too careless.
I forgot supplies were running late right now.
Here.
You can have this.
Eh?
Sigh
Every-one's away,
And there's no dessert...
This isn't elephant at all...

That's right.
Can...
Can I really have it!?
If I sat with you?
Would you mind,
shake
Pya...
shake
F-F-Fank you... Very much...
Ah-
shake
munch
Ah, it's yummy...
munch
...Go right ahead.
G-



Why'd she even call out to me? And why's she so quiet now? Make up your mind!
I think she's part of the Yuugumo class...? But I've never spoken with her much...
Umm... This girl is...

Ah,

This is super awk-ward ...!

!!
In-debted to your younger sisters.
I have always been...

Fufu, now I can use my skill as a lady to keep the coversation going~
So whot obout you? Did your sisters run off ond leove you too? We sure hove our honds full with them, huh~

Hooray! Some-thing to talk about!
Oh,
Ahh, yeah, those guys~!

I recco-mend these candies for des-sert.
Wait, She's already gone!
Hey, Aka-tsuki-san.
Now I feel embar-assed..
And look,
There's caramel as well.
But...
How fool-ish!
Starting to regret giving me this pudding ...?
Huh? Is she...

They aren't just sweets,
And it's about more than caramel candy!
The bitterness once it enters your mouth! The faint sweetness!
A real lady puts her life on the line to keep her dessert!
It's an adult lady's time to herself!
Got it? Now be quiet and leave me to my pudding!
Fu fu
Fu fu fu
An adult... You say?
How wonderful...

Is another gift from me.
That...
To-night,
Come meet me at the bar.
Ah, thank you.
I can't drink it though.
Adult!! Super-Bitter Coffee Jelly
Ahh... That was tiring.
I'll just eat that pud-ding.
sigh
I met a profoundly wonderful lady today.
Yes,
You seem really happy, Haya-shimo~
